COLORADO GIRL AND WHITE MAN DROWN

CHIRFIELD, Md., December—What was Miss Marie Sterling, colored, aged 21, doing in a Ford sedan with William Ward, white, aged 40? This is the question that is agitating the minds of a number of Chirfield people.

The couple was caught late in a trap when the closed automobile in which they were riding plunged through an open draw to the Jersey bridge in Chirfield harbor at 8:30 o'clock Thursday night of last week.

The bridge was open about twelve feet in order to allow vessels to pass through. The Ford sedan, which was standing on the bridge, was blown off and crashed and was not in an effort to stop them. Ward paid no attention to him, but instead he turned around and looked at the twenty miles per hour. The car and its occupants plunged through the open gap into the sea of water below.
